

Application No. 09/692,457
Supplemental Amendment filed: April 16, 2004

REMARKS/ARGUMENTS

Favorable reconsideration of this application as presently amended and in light of the following discussion is respectfully requested.

Claims 4-7 are presently active in this application, Claim 6 amended by the present amendment, and Claims 1-3 and 8-17 having previously been withdrawn from consideration.

The present Supplemental Amendment corrects an informality uncovered in Claim 6. Claim 6 has been amended at line 2 to insert --the-- before "current image data." No new matter has been added.

Consequently, in view of the present supplemental amendment, and the Amendment filed March 19, 2004, it is respectfully submitted that the claims are now in condition for formal allowance, and an early and favorable action to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
